Dear, Al-Haramain Foundation,

as (6), 7 all in, please know!

My name is [REDACTED] Umar Khalid Al-Majahid. I am sending this ten dollars (\$10.00). I would like it to be used towards helping the mujahideen in Chechnya that are being persecuted by the condition of the Russians, whether it be providing some sort of medical help, to the families of the martyrs or weapons.

It is narrated, in the Sunan of Abu Dawud, that Abu Umaranah (RA) said: "The Prophet (SAW) said: A person who did not take part in Jihad or failed to equip a fighter or did not look well after the family of a fighter, would be severely punished by Allah before the Day of Judgement.

I would have sent more but I am currently in prison, and my finances are very short. I hope that this will be able to help at least one mujahid or family of one.
